## Instructions for Graded Review Questions

Read the prescribed reading in the lab for this module. Review questions are based on the prescribed reading. The reading can be found >>**here**<<

1. Time allowed: **Unlimited**

- We encourage you to go back and review the materials to find the right answer

2. Attempts per question:

- One attempt - For True/False questions
- Two attempts - For any question other than True/False

3. Clicking the "**Final Check**" button when it appears, means your submission is **FINAL**. You will **NOT** be able to resubmit your answer for that question ever again

4. Check your grades in the course at any time by clicking on the "Progress" tab
